Trinity Church is looking to employ a **Registered Nurse &/or Midwife** with public health experience to lead their new Parish Nursing Service. This innovative service, will serve the South Elmsall ward and, supported by Parish Nursing Ministries UK and local funders, will aim to improve the health and wellbeing of local families, older people and adults.

The parish nurse/midwife role includes:

- Personal health screening, information advice & general health education and promotion
- Advocating for health and referring where necessary.
- Training and co-ordinating volunteers
- Liaising with other local services
- Providing spiritual care
- Supporting the wider health, safety and risk management of the church and congregation.

Full training and support for revalidation is provided. This post requires the person to offer spiritual care and Christian prayer when requested and it is therefore a Genuine Occupational Requirement for the applicant to be a practising Christian. An Enhanced DBS Disclosure is a requirement of this post.

Interviews will take place on Monday 1 October and the successful applicant will need to be available for training from Monday 15 October to Wednesday 17.
