

YOUTH WORK ENABLER

GOOLE AND SELBY METHODIST CIRCUIT

An exciting opportunity has arisen for a full time, enthusiastic and dedicated Christian to work in this rural part of Yorkshire, to the south of York. The Goole and Selby Methodist Circuit is looking to appoint a Youth Work Enabler to continue and develop its work both within and beyond the walls of the churches within the Circuit.

The person appointed will be a 'self-starter' with a passion to develop the existing work and will have the opportunity to pioneer and develop new areas of work among pupils of secondary school age (11-18 years). Use of a car is essential.

Salary will be £20,685, with discretionary points for qualifications and experience.

Closing date for applications is 17th August 2018. It is anticipated that interviews will be held towards the end of August, with the appointment preferably to start on 17th September.

For further information and application pack, contact Brian Hopper (Circuit Administrator):
