

YORKSHIRE PLUS REGIONAL RETREATS 2018

For Presbyters, Deacons and Lay Employees

CREATING THE FREEHAND CELTIC KNOT AND USING IT IN PRAYER with **Mary Fleeson**

A retreat to learn how to create the Freehand Celtic Knot using a technique developed by Mary over the last two decades, and use it for prayer and meditation.

No experience necessary, all materials provided but bring along favourite pencils, pens and papers if you wish.

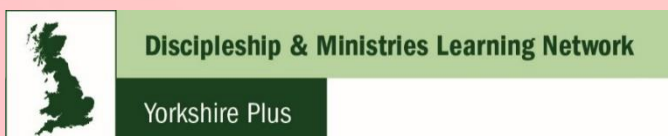

Mary Fleeson is a Christian who is also a visual artist. Her shop, the Lindisfarne Scriptorium, is in the village on The Holy Island of Lindisfarne. Mary's creative expressions show the influence of early manuscripts and ancient calligraphy; her exuberant, bright colours, strong lines and use of Scripture capture the energy and relevance of Celtic Christian faith for our time.
